

All Arabian Horse Association of British Columbia Product and/or Service Donation Form June 1, 2017

Please consider a donation from your family, farm, ranch or business to support the All Arabians Horse Association of British Columbia.

The All Arabians Horse Association of BC (AAHABC) is a registered non-profit Association which is committed to the progressive promotion of programs and activities for Arabian and Half Arabian horses, owners and enthusiasts. For over sixty years, we have been dedicated to providing opportunities for the development of youth and amateur competitors and their horses.

In order for these competitions to thrive and continue, we require support and partnership from local businesses and individuals. Your product or service donation will assist in sustaining our programs, providing opportunities for healthy competition and award incentive prizes for youth, amateur and open participants at our Annual Awards Banquet. The generous donations are offered by way of Silent Auctions at the horse shows, thus providing financial support to the club for future events.
