CLASS SPECIFICATIONS:

Class Title Definitions:

Junior Horse - horse must be five years of age or younger

Maiden Horse - horse must not have won a first place in that division

Novice Horse - horse must not have won more than three first place ribbons in that division

Limit Horse - horse must not have won more than six first place ribbons in that division

Halter Division:

Judging begins when the first horse enters the ring and its movement is being evaluated and scored. The horse shall enter at a trot and proceed around the arena. Upon each horse reaching the designated position at the far end of the arena, they are to remain relaxed. Horses shall be asked to walk collectively counter-clockwise and/or clockwise past each judge. They shall walk in a relaxed manner on a loose lead with the handler at the side of his horse, whips down. The lead line must maintain a discernible drape and the handler must not place his hand on the chain or close enough to in any way restrict the natural head and neck motion. The handler may not unnecessarily impede the forward motion of the horse while at the walk. Following the cessation of the walk all horses shall relax within the ring and only the horse 'on deck' shall be prepared to show. Each horse shall be led to the judge at the walk and presented for judging. Horses shall walk away from the judge and then strike a trot before turning left and proceeding counter clockwise down the rail. They shall resume their relaxed position at the end of the arena. The scores for all categories will be completed, recorded and may be announced at this time. A suitable headstall equipped with throatlatch is mandatory. Horses shown braided must be shown in hunter, show hack or dressage bridle, plain leather show halter or leather stable halter.

Performance Halter

Horses must be 3 years of age and older, and must have been entered and shown in a performance class at the same show as the one in which the performance halter class is being held, or have completed an AHA or AERC sanctioned Endurance ride or a Competitive Trail Ride (CTR) recognized by AHA or sanctioned by an AHA recognized Competitive Trail Riding Organization in the past 90 days (exhibitors must present dated proof of completion to the show secretary). If classes are held at a recognized Endurance ride or CTR, all registered Arabian and Half-Arabian/Anglo-Arabian horses entered in the ride are eligible to compete.

Ranch Horse Conformation

The purpose of Arabian Ranch Horse Conformation is to preserve Arabian type and conformation best suited to the function of a natural ranch horse. Selection is based upon well-mannered individuals in the order of their resemblance to the breed ideal that possess the most positive combination of balance, structural correctness, and movement. Individuals should possess appropriate breed and sex characteristics with adequate muscling. The ideal Arabian ranch horse should have a natural ranch horse appearance from head to tail.

To be eligible to compete in the ranch horse conformation class the horse must be entered, shown and judged in at least one riding class in the Ranch division at that show. Horses must be at least 3 years of age. Horses in each division may be shown together as one class or divided into Purebred, Half-Arabian, Stallions, Mares, Geldings, Open, Amateur, Youth, or in any combination deemed appropriate by show management. All stallions shall be examined to confirm that they have two visible testicles. All stallions and mares shall be examined for over-shot and under-shot mouth. If examination reveals that a horse is a cryptorchid or has an over-/under-shot mouth, the judge shall not use such horse in the final placings of the class. Horses are to be shown in a good working halter: rope, braided, nylon or plain leather. Any horse shown in the ranch horse conformation class may not be shown with a lip cord/chain, however a lead shank with an attached chain may be used under the chin. No whips, nor any other attention getting devices (i.e. treats, candy) are permitted.

Liberty:

Freestyle liberty is not to be judged solely on the individuals trot. Some horses may trot very little but will still exhibit type, animation and presence while giving a brilliant performance.

Judging criteria:

- 1) Arabian Type
- 2) Animation & charisma
- 3) Movement
- 4) Use of Arena
- 5) Crowd participation

Liberty Rules:

1. Open to Purebred and Partbred Arabians. Horses may show with white or black polo wraps and unweighted bell boots.
2. A 2 minute time limit will be allowed for each horse. Time and music will start when halter is removed. Time will expire at the signal of the time keeper. At that time handlers have two minutes to retrieve horse or it will be eliminated.
3. No more than two handlers per horse are allowed in the ring at one time
4. Handlers will lead horse to designated marker.
5. While at liberty, the horse may perform at any gait, horses may perform tricks within their 2 minute time at liberty to count towards their overall performance score. Handlers shall not touch the horse with the whip or ride the horse at any time from entrance into the show ring until after the expiration of the time limit. The use of a standard show halter whip is allowed. Each entry will furnish music for their performances. The music must be marked with the horses name and number. If no music is supplied the show reserves the right to select the music.
6. The scoring system is from 1-10 in five categories with a possible high score of 50.
7. These classes are not AHA or EC recognized or approved classes. The show committee shall handle all disputes and inquiries and their decision shall be final.

ATTENTION AMERICAN EXHIBITORS

It is easy to cross the border. Take Exit 275 off I-5, for the Pacific Crossing. You can also use Sumas and Aldergrove. Pacific and Sumas are open 24/7. Aldergrove is open from 8:00 am – midnight.

To cross the border into Canada, you are required to have a United States origin Health Certificate, V.S. Form 17-40. The date it is issued must not be more than thirty (30) days prior to export. The certificate must have a USDA seal in the bottom left hand corner.

You must also have a valid Coggins test, which is good for up to one hundred and eighty (180) days from the date it is issued.

Prior to stopping at the Canadian Customs crossing, check with the American Customs office. It is suggested, not required, that at that time you leave them a list of tack and equipment in your trailer, which will make your return through the border somewhat faster. Proceed to the Canadian Customs office and have your papers checked. Returning home, go straight through to the American Customs office. It is NOT necessary to have a Veterinarian inspection if you are in Canada less than thirty (30) days. However, if you plan to be over thirty (30) days from the date the horses were checked at your farm, not crossing the border, you must have the above documents and meet the Veterinarian at the border for inspection between the hours of 8:00- 10:00 AM, or 3:00-4:00 PM, Monday to Friday. The telephone number of the Veterinarian office in Blaine, WA is (206)332-8853. The phone number of the Canadian Veterinarian at the border is (604)538-3655, or the office at (604)538-3544.
